The Premises:

Fabulous central London apartment. Great decor, shower, the works

The Lady:

A bit of a cliché, but Alex's pictures really do not do her justice. Tall, great figure, absolutely magnetic eyes. Well spoken and very, very easy to get a long with.

The Story:

I was lucky enough to enjoy a threesome with Alex and the equally wonderful Rosalie, aka Curious Lands. It was the first time I had met Alex and from the very start she was friendly, engaging and ever so willing to please.

She encouraged me to spank her which was something I never thought I'd do or enjoy but such was her enthusiasm she got me involved in no time. It was a truly brilliant time spent in her company. I've been busy and out of the country hence this delayed review but now I'm back, I won't waste anymore time and aim to see Alex as soon as possible.
