The Story:

Used to visit this place years ago and popped in on my way to a job interview, 3 girls working - Amber and cassie as well as Jessica. I've always been a fan of two girls so after a bit asked her to bring Amber in to finish it was obvious these two love working together but I was short of cash so let Jess finish me off. Anyway went to my interview which went well and happened to be passing Stoke on my way back so popped back in saw Jess again this time had Amber in as well - if you guys do one thing before you die it needs to be watching these two snog each other !!! Despite 2 visits on the same day I've yet to shag her (owo is just too good) so will remedy that next week - in all seriousness she is the nicest bad girl you will ever meet and Amber is suitably slutty as well
