The Premises:

Above shops along a busy main road, discreet entrance, and plenty of parking close by.
Nicely decor room, and shower unit in corner.

The Lady:

A leggy 5'6" slender but sexy body with tattoos and piercing
Visually very stunning, much better than her pics for sure
Matching bra and knickers, hold ups with seams and high heels too.

The Story:

Arriving a little early, took a quick shower as ever, and waited for her.
Gentle knock at the door and she entered the room. WOW, i'm 5'8" and she was slightly taller than me in her heels.
A gentle but welcoming kiss, soon had me talking to her like a lost friend, felt very at ease with her.
She offer a massage, which i took her up on. As she work on my back, she told me a little bit about herself, as we chatted a while.
I rolled over, asked her to take off her lingerie and give me some OWO, she's very good at it too.
I rolled her over and returned the favour with some RO on her, which she loved just as much.
With her ready to cover him, mish was the play of the day for me, and we both enjoyed it.
With a little bit more of RO to finish, i was loving the company of this lovely lady.
