The Premises:

I am a big fan of softtouch, it's clean, safe and friendly. but today was a dissapointment

The Lady:

Rachel is not a bad looking girl but carries a bit more fat than the photos show. Today I had a fancy for something slim and toned.....this wasn't it.

The Story:

What compelled me to write this, was the lack of fun/passion/charm I experienced from this person. It would have been better sticking me in a room with a latex doll.....I might have shot my load. The experience was somewhat cold from the off.

lost my hard-on after a few minutes, she just did not get me going.

and to top it of we had taylor swift or some other teen musician whining on the CD player.....which switched me off even more

9 out of 10 guys would have been happy with this, but she just did not do it for me. If your picky and demanding like me...avoid this one, but as I say earlier Softouch is a damn good place....
