The Premises:

The Lady:

Anya is 21 years of age, European, about 5'9 and she's bisexual. She has long dark hair, her body is very slim, and she has large beautiful breasts.

The Story:

Anya arrived at my place 5 minutes early and asked if I was ready. I told her yes. She came to the door and she looked quite delicious. She was dressed very discreet and went to my restroom to change into a black lacy number. She took great pains to follow my lead and I was very happy leading her through exactly what I wanted. She made me forget everything but her. I highly recommend her as she is clean and we got right to the date. I didn't sense any stalling or clock watching. She was very anxious to please me again and again.
