The Lady:

When I first visited Abbie for Nuru massage , I was happy to find a very sexy, pretty, lovely, friendly women.

The Story:

The bed was prepared for the Nuru massage with o PVC or rubber bed sheet covering. She covered me and herself in the gel and started with erotic body to body massage. A fantastic touch to go with her soft , slippery with gel, skin and beautiful body. The gel creates a wonderful soft sliding sensation and enhances the touching and teasing during the session.

I would highly recommend Abbie for this unique experience. Thanks again, Abbie and see you again soon! xx

I only wish I had met her in a different situation!
