### The Premises:

GFE, well known parlour at Attercliffe

### The Lady:

Asia has a stunning body. I chose her from her photos and her body did them justice.

However, she is smiling in her photos and I didn't see her smile once.

### The Story:

I should have realised things weren't going to go well when she left me in the shower and disappeared downstairs for ten minutes. As I was starting to get cold and had to get home I phoned down to ask her to come up. I expected her to be apologetic but she was angry. "Oh my god, I've never had anybody do that before" she said.

After that things just got worse. I tried to touch her breasts and after a couple of seconds she pulled away. I tried to rub her pussy. "I don't like a finger up there" she said. "Don't worry, I won't" I replied. She still pulled away though.

Things weren't going well so I told her that I can sense some tension, let's start again and both of us have fun. She agreed to start again.

When it came to receiving a blowjob she told me that she had some teeth out and had to do it with a condom on. I told her that would be fine even though I had already paid for the full GFE service. When I tried to kiss her she would peck at me and pull away. "Come here" I said, trying to kiss her properly. "What do you mean come here, I am here!" she replied.

I realised then that I would not enjoy the rest of my time with her so I asked her to end the service there.

She asked why I had ended the service and I told her that she wasn't letting me touch her properly and wouldn't kiss me. At this she let loose a barrage of abuse. "mutter, idiot, mutter"; "what do you

expect for £65?"; "you're just coming in here looking for a girlfriend"

I quietly got dressed and went downstairs to speak to the lady at reception.

I must say I was rather disappointed with the reaction from GFE. She told me that this had happened before and she was tempted to ask Asia to leave right away (she didn't). However, she only refunded me £30 meaning I ended up paying £35 for a shower and 30 second of having my cock sucked. Most expensive shower ever!

I am a pleasant, quiet and well-mannered chap. I have punted all over Sheffield for over a decade including Mimi, Kandi, Layla at GFE, and most of the other parlours including Cameo, Bluebelles, Fantasia, Diplomat, Paradise, etc. I have rarely had a problem and never have I been treated this badly. It leaves a bad taste in the mouth and even now two days later I still resent how I was treated.
