The Premises:

Nice clean, small flat in modern block with door entry system. Bedroom had en-suite. Location felt discreet. Parking very nearby in public car park.

The Lady:

I found Annie to be more attractive than her photos would suggest and the photos were nice. She is tall (maybe 5' 8"), slim with nice small boobs and a nice butt. Her skin is perfect, soft and smooth without blemishes. In many years of punting, I don't ever recall meeting a woman with such lovely skin. I found her easy smile beautiful. Her smile and friendly demeanour made it easy to relax.

The Story:

My hour with Annie was wonderful and will live fondly in the memory (until my next visit). IMHO, Annie is an exceptionally attractive woman with a very enticing open personality. We made good sex together, better sex than I had anticipated. Two small things detracted from what would have been a 100% perfect experience. Firstly she was a little late. Secondly, Annie appeared reluctant to dfk. However these things were quickly forgotten once she was grinding away on top of me. Top top vfm.
