The Lady:

Very attractive girl, perky tits and round arse with meat in all the right places. I'd guess her age was early 30's didn't think it appropriate to ask but she was very youthful and enthusiastic, a very nice girl.

The Story:

I have never booked an escort before with blurred out faces or features, as you never know exactly what your going to get. Very glad I took the chance with Kimberley, genuinely looks like a model and I was blown away when she arrived. Blonde hair, nice perky tits and a great arse for £200 for a girl that like that was an absolute bargain.
