The Premises:

Neat and spacious. Discreet entrance at the back.

The Lady:

Big lady. Size 14 dress size I would say. Thunder thighs. Cellulite on thighs and stretch marks on tummy. Looks 30sh.

The Story:

The service was poor. Rushed. I saw her because she was the only one available. She is in it for the money. Does as little as possible. And she didn't have a shower afterwards. Explains the odour.

Nothing to write home about really. I wouldn't recommend her.
