The Premises:

Big red door of a Main Street, felt safe enough. Once inside shown to a small waiting area to meet the girls. Rooms were nicely decorated with all the facilities needed.

The Lady:

Sidona is a slim tall gorgeous blonde with a stunning body. She came in wearing a tight and very short little black dress, which is a particular fav of mine, she looked like she had just walked out of a nightclub.

The Story:

We started off by a lot of french kissing, she has gorgeously kissable lips, really made it feel like a GFE. She then took off her dress and underwear and I quickly got undressed. She then did some amazing OWO and then we moved to a 69, and boy did she like that, she orgasmed twice, which I have never had with an escort, she tasted fantastic. She then put a condom on me and we proceeded to have lots of great sex in various positions ending up with me finishing off fucking her from behind watching in the mirror - wow what a great experience
