### The Premises:

Discrete entrance in car park behind main street. Clean interior; good strategically placed mirrors in the room I was allocated.

### The Lady:

Possibly the most beautiful woman in the world!

See her photos to get an idea, but note that she has just had her hair cut shorter and styled with a fringe, which makes her look even more sexy.

### The Story:

Of course I indulged myself with the body-to-body massage-doesn't everybody?!

Started off with what seemed to me to be a genuine massage, but soon became an exotic massage.

Without going into details, this was one of the most pleasurable 30 minutes of my very long life!
