The Premises:

Nice terraced house in a street off Edgware Road. Not a lot of on street parking unless you can park on the single yellows on a Sunday. Most of the streets around are residents only. Really great shower, but you'll need to go upstairs from Sheila's room to get to it. She shares her flat with several other girls, in fact Ines opened the door to me as she was also expecting company.

The Lady:

Very pretty Young landy in her early 20s. Totally ripped body and about as tiny as they come. Really nice B cup bobbies that totally suit her miniature frame. Sheila has such lovely soft skin which thankfully she has NOT decided requires any extra decoration (i.e. Tattoos - a pet hate of mine) over and above a nice tan and a few subtle piercings. Speaks great English and is very, very open about everything - a real treasure.

The Story:

Some absolutely fantastic long oral session followed by equally fantastic sex in numerous positions. Sheila makes a LOT of noise and was very encouraging. Luckily I can be a real bugger (sorry about that Sheila) and held out to the end (no complaints though). It all resulted in an absolutely earth shattering climax though - so all good. I have to say though, Sheila is very very tiny - but in a very feminine way. Thankfully that kind of petite "butter wouldn't melt - but oh yes it will" look is just my cup of tea. Thanks Sheila - you're a cutie for sure.
