The Premises:

Good quality hotel near Heathrow. Not sure about parking as I didn't need it. No problem getting in although the lifts aren't immediately obvious from the lobby.

The Lady:

Tall, curvaceous lady who just oozes sex appeal. High heels, hold ups, sexy underwear and, originally, a pearl necklace (steady, now!) Reminded me of a porn star from the early 80's and, for someone who had their sexually awakening around this time, this was very exciting, indeed!

Charlotte also has a very down to earth, easy going and friendly. Eager to please and be pleased. Determined to give and receive pleasure in equal measure. Great!

The Story:

Charlotte handled all communications herself. Once in the room, she is as described above. She has huge sex appeal and wasted little time. She greeted me with lots of DFK and it wasn't long before we were both naked and rolling about the bed. She gave me OWO and then asked if I enjoyed "licking pussy"? I answered "yes" and was happy to oblige. She tasted wonderful and was soon very wet. FS (covered) followed in mish and the doggy. We finished off with more OWO to CIM where I had the most intense orgasm of my life (seriously!) which she swallowed. Incredible! Charlotte is very relaxed and didn't rush me out the door. We chatted for a while before I dressed and said our goodbyes. She did offer me a shower for those who need to know this. I am single so can happily make my way home with her beautiful fragrance still on me. Lovely! Would I return? Oh yes.
