The Premises:

Good standard Hotel near Heathrow. Although I didn't use it, it had plenty of pay and display parking. No hassle getting through reception although the lifts are right around to the left. I had to ask but was not challenged at all. Lovely good sized room – the best I've been to.

The Lady:

Anna is quite petite, very feminine and, in my honest opinion, very beautiful. She was dressed in a nice dress where I arrived and seemed a genuinely happy girl with a great sense of humour. I warmed to her instantly and when I returned from the shower she had removed the dress and was now in sexy underwear, stockings and high heels. She has the most wonderful body – small, pert breasts, shapely legs and lovely bum. Absolutely delicious!

Anna was smiley and warm from the start. She has a great sense of humour and we shared little jokes throughout. She was very willing throughout and gave the impression that she was determined to give me a good time. She also gave the impression that she wanted to enjoy herself, too and that she was delighted to be with me. I did joke with her that she is “a very good actor” but it is just as easy to think that she was really into it which, in my experience, makes for the best punts and the ones you will always remember. I know I'm a hairy, middle aged man and Anna is a gorgeous girl young enough to be my daughter but – hey – this is fantasy, right?

The Story:

I managed to get through to Anna by phone immediately and making the booking couldn't have been easier. I was delighted that the hotel was one where no lift key is required and found out later that Anna actively seeks out these hotels in order to make things as discrete as possible. When I got there she texted me the room number with no fuss – none of this “go the floor and call again” stuff. I made my way up and, as I said previously, was delighted by the beauty that greeted me. After the preliminaries, Anna wasted no time and we began some lovely FK before laying on the bed so I could explore her magnificent body whilst continuing with kisses and cuddles. Her breasts were very responsive to kissing and sucking and her skin is soft and womanly. I love RO and couldn't wait to get down there. She tasted wonderful and was soon very wet. This encouraged me and I played with her until she appeared to cum. Fantastic!

She began to give me OWO which was great and she really can go quite deep but I really wanted her to sit on my face. Trust me, when you see her bum, you'll know why! Before long we were in 69 and I had my face buried in her delightful pussy whilst she was sucking me. I also indulged in a little

rimming on her as it was irresistible and it would be rude not to. Thank you very much!
The main event followed and Anna is very tight. As I'm sure many will appreciate condoms don't do much for a man's erection, particularly beyond 40, so I wasn't quite hard enough at first but, once in, it was sensational. To look down at this beauty whilst doing the do and feeling how deliciously tight she was, is a memory to savour and I came powerfully inside her, something that doesn't always happen. I was breathing like a train as we cleaned up and lay there afterwards which was much to Anna's amusement.

We had a nice chat afterwards and Although Anna doesn't think her English is that good it's adequate for a good conversation if you keep the language relatively simple. She's a bright girl taking a year out of Uni back in Poland. She's indie but has taken good advice about this business (she knows about SAAFE, for example). I wasn't rushed out and dressed at my leisure before saying goodbye. I walked home in the rain, wet but very happy with a silly grin on my face. I can honestly say Anna is in my top ten WGs ever!

Would I return? Oh yes!
