### The Premises:

This is a swingers' club. The venue is a house in central London, just 5 minutes from tube stations. It's clean, tidy and comfortable. The action takes place in a big room on the ground floor, equipped with 3 beds, armchairs and a "love swing". Drinks and snacks are provided. Changing room, shower and kitchen are downstairs.

### The Lady:

The photos on the site are fairly accurate if not always up to date. The six hostesses at this party were all attractive in different ways. It's one of the pleasures of these parties that you get to experience great sex with such a variety of women, tall, petite, slim, voluptuous, loud and quiet. The common factor is that they are all in the party spirit and eager to make sure that everyone, including nervous newbies, has a good time.

### The Story:

I have been to quite a lot of these parties and I always enjoy them. They are well organised. I always feel safe and looked after. These are perfect conditions for enjoying recreational sex.

This was a busy and lively party with 11 or 12 guests. I arrived 10 minutes before the start and was greeted warmly by lovely Barbara (who still parties herself from time to time). After handing in my valuables, changing, showering and robing, I was ushered into the kitchen where the girls were waiting in their high heels and lingerie, which was delightful. I knew I had made the right decision as to how to spend this Friday afternoon. I got chatting to Juliet, a petite young Hungarian, whose first day this was at the club. When the clock struck 4pm and we made our way upstairs, I followed Juliet and couldn't resist getting into bed with her as soon as we reached the party room.

The party was lots of fun. One of the advantages of having it take place in one room is that you can watch all sorts of things going on while you are resting. A disadvantage is that you don't get to rest for long enough. I was just recovering from my passionate session with Juliet when Anna beckoned me over from the other side of the room. She said she wanted to show me something. This turned out to be a sensuous massage of my genitals with her tongue, which was superb. Later on I got my second pop with Maya and also played with Gina and Monique (who I remember meeting at a party

three years ago but who I'd not actually had sex with before, which was remiss of me). I only missed out on Kasia but I had played with her at my last party: she had sat on my face and her pussy was very nice indeed.

I had to leave half an hour before the end in order to catch a train, which was a pity but anyway I was spent.

I look forward to my next party. Looking at the gallery, I see that I have now partied with 26 of the 31 hostesses. It's nice to see mad Misha is back. Too tempting.
