The Premises:

Nice flat near Finchley Road station. Living room adjacent to small kitchen, good bathroom/shower, bedroom with fully mirrored wardrobe doors :). Comfortable, discrete and secure.

The Lady:

Gina's profile page is accurate and the pictures are a good representation of how slim and fit she is. I find her very pretty – up there with the prettiest girls I have met. She also has excellent English, and is intelligent and well-travelled so conversation is good also. She has no tatoos that I recall.

The Story:

This was the second time I had seen Gina - after the first meeting last year I was determined to meet her again! My tastes are pretty vanilla and Gina meets them very well. Her BJ is the best I have had - deep and sensual. She doesn't do CIM which would be the only way it could be improved from my point of view. Other important things to me on a meet are kissing and reverse oral and in those respects Gina is great – she kisses well and responds enthusiastically to my attempts to please her. And everything is delivered in a very natural, flirty way with great attitude. There are no interruptions from phone calls or messages and she does not clock watch – we went over time on Monday. In summary Gina has been one of my best experiences, and I plan to go back as often as my finances will allow.
