The Story:

alana entered the room in hold up stockings and skimpy briefs, after some gentle kissing and touching i divested my clothing and was already hard, Alana asked would i like oral without , i said yes please, she started to give me a very sensual and slow blow job and made great eye contact, after 5 mins or so she asked would i like to lick her(yes iwould)

with her lying back on the bed i went between her legs and started licking her sweet young pussy, she asked me to look in her eyes as i did this, it felt incredibly horny, Alana is very comfortable in her own skin, and is totally at ease with the situation, even though i am many years her senior, i felt at ease too!

after a few minutes of going down on Alana it was on eith mac, as she reclined on the bed i entered her tight moist young cunt, i was so worked up icame with a shuddering climax after a couple of minutes so didnt get to try all the positions i would have liked.

after cleaning up we chatted for a few minutes , Alana ia genuinely friendly and intelligent, with the body and face of a princess(itold her this and she laughed) there is no reason not to see her , so what are you waiting for guys!!!!!!!!!!

thanks for some great sex and hope to seeyou again soon princess- Vincent
