The Story:

Late night outcall to my hotel, called the agency without a great deal of notice and to there credit they managed to track down Lauren and sorted things so she would join me within a couple of hours. She arrived on time, slightly earlier actually and she looked great, very chatty, bubbly and classy, got her a drink and she went to change in bathroom, came out looking might fine, and the fun began. Lots of kissing full on, touching, licking, she gives a top bj, great tasting pussy, we made use of the mirrors in the bedroom, various positions, it was nice that he told me what shes likes as well as what I wanted.

More bj, more sex, some giggles and finally a massive facial for her which she didnt flinch away from. How hot she looked with her face covered in it. She cleaned up and we chatted as she changed and packed her things, shes well spoken and really is great company by the time she left she had been in my room for an hour and a half.

Lovely lady, sexy as hell and funny and charming to be around, had a fantastic time with her.
