The Premises:

Quiet Street in Medway very easy to find and safe – plenty of off street parking. The place itself was well kept with an average size bed and mirror against the wall.

The Lady:

Curvy, buxom brunette English lady in her early thirties with great tits as described in profile. She had pretty eyes and was very sexy I would describe her body as being soft as opposed to being toned.

The Story:

Chazzy made me feel comfortable, we chatted for a while and then got down to business starting with DFK which she seemed to enjoy. Lots of foreplay and OWO before sex in a number of positions resulting in me cuming pretty hard. Whilst I recovered for round we continued talking and she was good company. I then opted to do her from behind so that I could see her tits in the mirror whilst I pounded away.

Really nice girl would definitely see her again.
