### The Premises:

Outcall to my hotel

### The Lady:

Youthful, beautiful, petite woman. She looked exactly like her photos. Her smile is sexier in person than in her photos.

### The Story:

I had her over for a 90 minute appointment, for a GFE during a quick meeting over drinks with clients. She came highly recommended by business associates who'd been to London as well. She plays the girlfriend well. The meeting lasted only 30 minutes, then it was off to spend the next hour having a little fun in my room. She's amazing. Everything about her presence screams seductive. Her smell, her look, her voice... An hour well spent and looking very forward to my next business trip to London.
