### The Story:

I figured that I really ought to write a review on Chloe. I want to keep her all to myself but unfortunately that isn't possible. I've seen her a few times now but this was my first and most memorable because it left me wanting to go back for more! and I have. Not only that, I couldn't believe that management had made her the advent lady of the day " a Christmas present at only £40. Thank you, Thank you, Thank you

Chloe walked into the room wearing black bra, stockings and suspenders and high heels. She has long blond hair and a fantastic figure. I was on cloud 9. The introduction was brief just confirming that I was there to see her and then we started kissing.

As we kissed, and god it was good, I took the opportunity to caress every part of her beautiful body that I could reach. We continued to kiss standing and gradually I removed her bra and then her briefs. I was delighted and very impressed with what I could see and feel. We moved to the bed where Chloe gradually worked her way down my body kissing and licking as she went until she reached my todger who was standing at attention and ready to be pampered. Pampered it was. Chloe licked and sucked superbly paying attention to my nut sack as well. My mouth was drying up and feeling lonely so I asked Chloe for 69 and she readily agreed. Then for at least the next 10 minutes we both licked,sucked and enjoyed a fantastic oral session. At least it felt that way to me. When it was time to move on Chloe beckoned me to keep still while she directed my todger in to her delightful honey pot and began to ride me with her beautiful breasts swinging in front of me. It really doesn't get much better, she is hot and as the saying used to say, she looks good, she tastes good and by god she does you good. From there we moved to missionary with legs akimbo and then to my delight doggy where I held those beautiful hips and buttocks giving her bum the occasional light spank. Kneeling behind Chloe getting a good rhythm going I felt so good. A beautiful lady with a beautiful body, so sexy pussy and a good attitude, making the right noises. This is how you want to feel every time you have sex. Time was pushing on and reluctantly I had to ask Chloe to give me a

happy ending with her hand. She obliged and using her mouth, beautiful lips and tongue she brought me to a wonderful release. She was in no hurry to get me out. We cleaned up, we chatted and we dressed. I paid Chloe and she escorted me to the door. I stayed behind her watching her curves glide down the stairs in her high heels. God I loved gazing at that arse. We kissed goodbye and it was over. As I've said I've been back and it has been fantastic, but as you can only write one report in six months I decided it should be of my first encounter. Chloe really knows how to please. Thank you Chloe. I hope to visit you again soon.
