The Premises:

Alex's flat is in central London, not far from a number of tube stations. It is a spacious flat, well equipped with an amazing shower. It is always very clean.

The Lady:

I have met Alex a number of times. She is a stunning girl with an amazing figure. She has long dark blonde hair and has stunning eyes. Her pictures on her website do not do her justice on just how beautiful she is.

The Story:

I am quite a nervous guy, but Alex is such a nice person, she at once places you at ease. She is a lovely young lady, very intelligent and easy to talk to. She listens to what I would like and is eager to please.

I talked to Alex a number of times about bringing another girl into the session. Alex suggested Amy (a.k.a Cheeky Amy). Amy proved to be equally as beautiful, easy to talk to and open minded. Both girls work well together and seemed to enjoy the session as much as I did.

I hope to repeat the session again soon. Both Alex and Amy are truly amazing girls.
