The Premises:

Easy to park in road opposite which has industrial units. Her place had discreet but easy to find side entrance from instructions. Clean & tidy well decorated Room had lovely iron four poster, but no mirror.

The Lady:

As her pictures. She has striking blond hair a firm and smooth body. Her breasts are natural and seem to jump into your hand and mouth.

The Story:

On arrival I was shown by upstairs by the (apparently non working) maid. She was an attractive lady in her own right which boded well.

When Crystal arrived we had a brief but intense chat outlying the way I wanted her session to go..

Crystal returned after a delay and proceeded to blow my mind with her sensual role-play.

After some intense foreplay I took her in the fan position and was delighted to find she was firm and tight.

Doggy followed and her delicious moans are still ringing in my ears.

"I will be back!"
