The Premises:

Nice ground floor apartment just across the road from the Milton Keynes shopping centre. Plenty of cheap parking options. Free after 6pm

The Lady:

Petit sexy Brazilian, covered in tats and a great sense of humour. Even better than her photos and her photos already make her look stunning.

The Story:

Was pleasantly surprised on the phone to discover that this was my 5th visit so therefore would be £10 cheaper.

Was greeted at the door by a maid that I recognised from a couple of my previous visits to this location, shown to a room and asked if I wanted a drink.

I like to leave the paperwork on the side to prevent the awkward moment when the girl enters. In came Roxy with my glass of water donning a sexy one-piece bit of lingerie and my jaw literally dropped to the floor. She lightened the mood instantly by saying she may need a 2nd girl to help her and started groping my package through my trousers straight away. She sure knows how to put you on cloud 9 early on.

Roxy wasted no time in getting right to it by taking me in her mouth while I was still standing and not even fully unclothed yet. I quickly stripped the rest of my clothes off and she pulled me towards the bed where i took control and laid her down so I could go down on her lovely Brazilian pussy. She seemed surprised that I wanted her to enjoy it just as much as me and had to stop me in action when I found her spot before came to early saying it would leave her to sensitive for the rest of the session.

Roxy then laid me down on the bed and went to work on me with her pierced tongue (OWO) deepthroating throughout and constantly keeping eye contact, even stopping to say, "no I can't get it all in". I laid back and enjoyed her expertise until the inevitable happened and I erupted in her mouth which felt absolutely amazing. After a quick clean up Roxy continued to play with and suck

my member while we chatted about brazil until my member was hard enough for round 2. Roxy then said the words every man wants to hear from a sexy brazilian. "Now you fuck me!"

On with the jacket and she climbed on top and rode me better than anyone has ever done before, she clearly enjoys what she does and knows exactly how to get a man going. After a few mins riding me she stopped and told me take her from behind and go deep, to which I fully obliged.

Roxy is loud and vocal and tells you just how she wants it, she gets well into it and from time to time cut herself off with her own groans of pleasure. After a few mins of doggy I turned her round and put her legs over my shoulders so I could really go deep at her request. As Roxy was close to climax we encountered a problem with the jacket. Roxy jumped up and grabbed another one, put it on my member so I could finish the job. She'd now put me on my back so she could ride her way to an amazing climax. (hers)

It gets even better though, in most cases this would be the end of the session and you'd probably have a bit more of chat while you got dressed, this was certainly not the case with Roxy, she pulled off the jacket and gave me even more OWO which felt absolutely unreal but I just couldn't get my member to erupt for a second time.

Roxy has an unbelievable talent and somehow makes 30 mins feel like a lifetime. Unbelievable in the sack and I will definitely be seeing her again sometime.

VERY HIGHLY RECOMMENDED!
