### The Premises:

The place was clean and well kept. Atmosphere was comfortable and good ambience

### The Lady:

She is a young girl of around 22 or 23 years, with a moderate height. Fair in complexion and of European origin. she looked pretty much same as her photos and had good vital stats, a great hip and firm breasts.

### The Story:

The experience was wonderful and she was obedient and to my taste. I was able to have a lot of fun within the one hour time. She has a very defining body, long legs, good tits and lovely hair. I love the blow job she did and her hole was very tight. She was clean and I had no squirms on relishing her body. Not that we kissed much, it was a very professional relationship, but she was able to take my stress off and greet my manhood. She was adjusting and flexible and I got the job done the way I wanted.

I guess , it was worth the money spent on her.
