### The Premises:

Clean, warm and modern apartment.

### The Lady:

Alana is an amazing girl whose photos don't do her justice, she is slim with come to bed brown eyes.

### The Story:

Upon arrival I was shown to a room, Alana arrived a couple of minutes later. The moment she walked in she put me totally at ease and I quickly sorted out the paperwork. We spent a moment getting to know one another, before moving on to more intimate moments. She went down on me before I returned the favour. After several positions of the second act we spent the rest of the time talking, it was like we had known each other for years (and I still not sure if my eyes are blue or blue with a hint of green).

Thank you for an amazing time, next time I am back in the country I will coming back for more (and for longer).
