The Premises:

The Lady:

Extremely fit, proper barbie girl long blonde hair big tits and really nice smile. Pretty average height with a really smooth and tight figure, really attractive girl.

The Story:

Traveled up to Leeds for a party at my mates flat who's going to Uni up there. Couldn't believe the price difference up there in comparison up London, if you were going to book Caprice in London she would easily be £300 an hour. She is very young and a proper party girl, seemed very chirpy and great fun. I was very drunk but the sex was great from what I can remember, she was very naughty and up for anything. Overall if I was traveling back up to Leeds I would definitely book her again.
