The Premises:

As previously reported Erotic Studio's is very clean and always feels safe. Friendly maid and the establishment is always warm and welcoming. Shower facilities, fresh fluffy towels etc.

The Lady:

Jamilla is in her early 30's, half English half Indian. 5'6 and a lovely size 10, 36D tits and an arse to die for. Long black hair, warm friendly smile and great personality (Friendly).

The Story:

Jamilla entered the room and welcomed me with a DFK. At the same time she grabbed by bollocks and gave them a playful squeeze. She took her bra off so I could get to grips with those wonderful tits! more fondling and DFk and she played with my nipples - giving them a cheeky nip with her teeth!

Was not in the mood for sex just a massage and hand job. Jamilla expertly gave me a nice lengthy relaxing massage and rubbed those big tits all over my back and fondled my bollocks etc. Turning me over I was ready to blow and we had about 5 minutes out of the allotted 30 to 'bring me off'. I relaxed and watched her tits bounce sexily to the rhythm of her soft hands wanking me, in a few short moments I had erupted over her hands and she was cleaning me up with wet wipes and tissue. All the time spent with Jamilla flew by, she is lovely and great to chat to and has a great figure and I thoroughly enjoyed myself.
