The Story:

first time at Crystals...it wont be my last. It was annas second day and Im always a little nervous going to a new place, Anna was very natural and friendly, had a quick shower and came back to the room to find anna in her stockings small thong and see through top.....had a cuddle then off with the top...on with the mac for oral, everything else is extra, I went the additional 310 for RO and boy was it worth it....followed straight into sex, i was planning to use the remaining 15 mins of the appt to have her in all positions but shes so damn fit and sexy I got a bit excited as the sight of her beneath me...had to spend the last 10 mins with a nice massage.

I will be back next week to try and improve my performance....outstanding young woman. Highly recommended
