The Premises:

Discrete flat near the main shopping area, buzzer entry to the door. Cheap parking close by. Room was clean, tidy with decent double bed

The Lady:

Sarah is stunningly beautiful, has that Julia Roberts look. Her pale skin is accentuated by her red hair, beautiful face with kissable lips. Her body is a mans dream lovely legs, skinny waist and those fantastic 30G's firm and in great shape. I would have said late 20's for age but she is listed as 30's - she has a wonderful girlish giggle and a playful nature which makes her seem younger

The Story:

I arrived a couple of minutes late due to bad traffic and crap weather. The main door was opened by Sarah who appeared from behind it, I had seen her a couple of years before which was an amazing experience, would she look as good, did I remember it or had my memory cheated me - in simple terms no, things have improved with age!

Sarah was wearing a nice satin two piece with flesh hold ups and a see through dressing gown on top - what a view. as I got undressed she asked me if I wanted tie and tease, not something I had done before but after a short hesitation I decided to give it a go. I was restrained and blindfolded and I could feel her making her way up, after some fantastic oral and teasing the blindfold came off to reveal a naked sarah in all her glory, more teasing with oral, anal play and toys before I was released. Some kissing followed, RO and then on with the cover to be ridden to completion encouraged playfully by Sarah to come inside her!

I wanted it to go on forever but for once we ran out of time - she doesn't appear on the schedule too often so miss the opportunity at your peril, my only criticism is that the rooms are booked back to back so you have to leave quickly.

Highly recommended - but you guessed i would say that didn't you?
