The Premises:

She is in a kind of hostel. Very run down with people lurking around outside and downstairs. Her room is a bedsit with en suite and it is quite rough and ready.

The Lady:

She is actually as beautiful, if not more so than her pictures. Very slim, very big breasts (enhanced) and very pretty.

The Story:

I've never been left so cold by a meet with such a hot girl. I was tempted out of my usual stomping ground by her very hot pictures, which were clearly a combination of selfies and amateur pics, so I thought, rightly, that they had a good chance of being accurate.

Despite her appearance living up to her profile, however, the rest of the experience was a let down. The premises are nasty, she speaks very little English (very little of anything to be honest) and she doesn't do any of the services listed on her profile, apart from protected oral and sex.

I paid for an hour, because her hourly price was very reasonable, however, she didn't explain that 1 hour meant cum once. What's more, she doesn't do anything else. She went straight in for the covered bj, without any prelude or preamble, then robotically switched to sex. Once I'd cum, she began to dress. This was 15 minutes into my hour.

I asked if she could do a massage or we could fool around and go again, but she made it clear this was not an option and that as I'd cum, the session was now over.

Probably better to just have a wank over her pictures, to be honest, because, even at £70, she's poor value for money.
