The Lady:

Jasmine is stunningly good looking with a body to die for. Very petit with fantastic bum and boobs which I believe may be enhanced but I could not be certain. Her profile says she is in her 30's which is hard to believe as she would easily pass for early 20's with her tight little body. Very warm, friendly and chatty with a good command of English.

The Story:

I was given the choice of room by the main and elected one I had used before which was fine with a double bed and sofa. Jasmine arrived with my drink, gave me a kiss and said "come on, lets go to the bigger room as there is more room to move around?" With that she turned and left the room. I followed a few paces behind because I could not take my eyes off her fantastic arse which looked even better in the pink lacy all in one she was wearing.

Anyway, into the bigger room, I was asked to get naked and join Jasmine on the bed which I duly obliged. Spent the next few minutes FK and exploring each others bodies which soon got me ready for more. I was offered and accepted OWO which was fine but not the best I have ever had as there seemed to be more hand than mouth involved but on the whole, still an enjoyable experience.

I offered to return the favour and spent a good deal of time giving Jasmine RO which I love to do and Jasmine seemed to enjoy! Then it was on with the hat for cowgirl before finishing in doggy.

After cleaning up, Jasmine suggested she gave me a massage during which we chatted and laughed about life and the world in general.

I left feeling like a million dollars and totally pampered.
