The Premises:

Easy to find block near Edgware Rd tube. Nice enough room, though it could do with a couple of mirrors (or is that just me ?). Clean but tiny bathroom. Offered clean towel and a drink.

The Lady:

Without wanting to sound like I'm being paid for saying this, which I'm not, Top Secret are my current favourite agency. Good mobile friendly website, which says what the girls are up for and how much it will cost. They recommended Dalia when my first choice was busy. I'm very pleased they did.

Fabulous girl, in her mid twenties. Happy, charming, cheeky and enthusiastic. She says she works a couple of weeks and then goes back to Poland for a couple. I guess it keeps her from getting Jaded. Lovely figure, lovely smile.

A friend of mine with more money and time than me (lucky bastard), has done a survey of the quality of service against country of origin. He says Polish girls are the best, and by this performance I definitely agree.

The Story:

She opened the door with a welcoming smile and wearing a nice dress. Almost before saying anything she kissed me long and deeply, then led me to her room. Papers were sorted and I had a quick shower.

As soon as I was back in the room she kissed me again, pressing hard against my rapidly stiffening cock. My towel was pulled away and she dropped to her knees taking me deeply into her mouth. We spent the next half an hour with my cock in her mouth, a toy up her pussy, my tongue in her mouth, my tongue in her pussy. I watched from behind as she fingered herself, and then all over again until I came into her open mouth. All of this with eye contact and a smile. She loves to suck cock she says, and certainly acted like she did.

A gentle message for 10 minutes and then I was back between her lips. I stiffened up and we

fucked for a bit, but unfortunately I can't manage twice, and though she tried hard, and well beyond my time I had to give up.

I shall be back to finish the job another day.

Highly recommended.
