The Premises:

Smart Pimlico basement flat. Clean, warm, classily set up, and well organised.

The Lady:

Zara is just gorgeous, and clearly an elegant and intelligent lady. She has a Spanish look but sounds pretty much full-on English. She sounds a bit posh, but is classily dirty with it - you sense no request, however naughty, could wobble her. Great cool nip piercings and no tats. She actually looks better and slimmer than the images on the HoD website (swop them over Zara). You will not be disappointed! Treat her well and she'll reciprocate in spades lads.

The Story:

Zara has soft seductive fleshy lips and is happy to share. She has a spectacularly rough tongue which she uses to excellent effect. Her technique is very sloppy with loads of spit, and she knows how to use eye contact to maximum effect. I could have died happy right there and then.

I asked to see her strap-on but took fright at the monster fetish beast she unveiled. She countered with the offer of prostate massage which was excellently done. Her gentle but insistent anal violation, combined with total ball sucking alternated with her rough tongue and deep-throating had me begging for mercy and for her to stop before I popped.

We whizzed on a cover and went for missionary. She has a firm entrance and is tight all the way up - perfect. I would have emptied my wallet to spend the day pummelling her while her gorgeous face and bejewelled nips on her cute boobs lay spread-eagled before me. Heaven. The best bit is she's so responsive. So many girls don't bother. Or go though the motions unconvincingly. Zara may be an accomplished actress, but I don't care, it worked for me thanks! We finished with her bucking like a Duracell bunny on top of me with a porn-star hip action while she caressed then squeezed my nips hard at just the right moment. What a pro.

Will I be seeing her again? You betcha!
