The Premises:

New flat in Woolwich.

The Lady:

Chinese girl in early 20s. Was pictured as being 'buxom'. I hefted her boobs quite a number of times and they seemed genuine. Pleasant lass. Long hair, slim body and REALLY generous boobs (did I mention?! 5' 4" maybe.

The Story:

Kissed briefly then removed clothing. She kissed my shaft and balls and perineum for a while. She asked if I wanted OW or OWO. After a few nanoseconds of deep thought I opted for OWO. That accounted for the extra £20 on top of her basic fee of £100. Very nice! After a few minutes of that I stopped her and suggested that I return the compliment. I licked her pussy for a while - she seemed quite sensitive as she asked me to slow down/be gentle after a minute or so. I aim to please! I interspersed this with some light rimming which she seemed to appreciate. Then on with the PPE and mish, doggy and cow girl. I decided to finish with more OWO and a gentle wank which saw me shoot copiously. She cleaned me up and gave me a short massage. Nice girl.
