The Story:

As this was my first experience with both a WG and a parlour I wasn't sure what to expect. Was let in by the receptionist who asked me to wait in a booth for the day's girls to introduce themselves to me so. They did and I was won over by Chelsea who came across as a lively woman who would to calm my nerves, and listen while I explained a bit about why I was there. She explained the set up and left me to sort myself out and get comfortable in private before coming back in to give me a surprisingly good back and shoulder rub before turning me over and doing the same downstairs. She stripped and invited me to do the same to her. Plenty of reverse oral and fingering her shaved pussy before receiving a good bj and fuck, both with condom. Afterwards we had brief chat about me and what made me tick and with a feeling that I will be back. I couldn't have had a better introduction to the WG experience.
