The Premises:

Well known - clean and pleasant

The Lady:

Keanya (2 other spellings also used on site at time of writing) is a full bodied black lady with a lovely face. I think her breasts are enhanced.

The Story:

Keanya walked in and clasped me to her bosom as she had big heels on but I didn't complain. We were soon very much at ease with each other with non-stop chat including some philosophical points and people's behaviour and attitude to life as well as rude stuff.

Keanya is very good at her job but in a very natural way. I was able to enjoy her body and she was keen to give me a good time with prolonged oral (without, I think - felt good anyway).

The sex was in doggy and then mish with Keanya very very involved and clearly her body was giving her a big build up to satisfying come. She wanted me to cum on her chest while I knelt astride her and I took the opportunity to let my fingers play with her neat pussy.

A good time with no clock watching and the feeling of a friendship forged as well as a physically pleasing time.
