### The Premises:

I caught the tube, was given clear directions and the retreat was very easy to find. Premises was immaculately clean and very well fitted out.

### The Lady:

Rebecca is absolutely beautiful. She is slim but with beautiful curves, very confident and articulate. She made me feel very comfortable straight away.

### The Story:

I don't live in London but I'd been planning on visiting the retreat for a long while, but the stars had never quite aligned and I'd never been able to make an appointment. I was in central London and called the Retreat somewhat on a whim and was on the doorstep 30 minutes later... It's a lovely private location, very clean and well looked after. I was given the choice of the two rooms available and brought a drink, and left to meet the beautiful Rebecca.

Rebecca is an absolute stunner. I'd seen her photos but I was still pretty much gob smacked when she walked into the room wearing matching bra and panties. She has a beautiful figure and lovely red hair. We sat down on the bed and had a detailed discussion what I wanted out of the session. She was friendly and confident and any nerves I had disappeared very quickly. After that introduction and discussion, I was offered and accepted a shower. When Rebecca returned, she looked even more stunning in a latex dress.

The session itself was perfect. I really enjoy tie and tease and Rebecca led me along (literally at times) perfectly, respected my limits and was incredibly sexy the whole time. She is excellent at what she does and I'm looking forward to testing my limits a little more in the future.

In short, I was super impressed with the Retreat itself and the beautiful Rebecca and I'm thinking about my next visit already. Very highly recommended.
