The Premises:

Very discrete location, looks pretty humble on the outside but once inside you've entered a beautiful world. The facility is immaculate and everyone is very polite. Free drinks on offer too was a bonus (non alcoholic of course)

The Lady:

Cherry is incredibly beautiful, 5ft 5" with wonderfully tanned skin. She's very charming and makes you feel at ease the moment you meet her.

The Story:

Cherry is an angel and as her namesake suggests she is incredibly sweet aswell as kind. Cherry was the first girl i had ever been intimate with but she hugged me and told me she would take great care of me, and that she definitely did. Cherry is incredibly beautiful, and that Newcastle accent is sexy i dont care what anyone says, but also very polite, respectful and patient. A gentleman does not kiss and tell but needless to say it was a half hour of bliss i will treasure forever. As it was my first time she was very patient with me but also gave me useful tips on what do in any future sexual encounters. We had a very brief chat afterwards just to use up the last five minutes which was lovely. All i would say is that Cherry is a marvelous woman deserving of great respect, do that and she'll make your dreams come true.
