The Premises:

Safe, large block in Edgware road- most of us have been there at one time or another in our Punting Career.

The Lady:

Looks better in the photos- she is a cam girl really.

The Story:

Found this girl on a well know service provider website, she looks better in her videos and photos, which are hot. I even did cam with her and she looked good.

However- 5 call system to get to her flat, she looks far sexier on cam- she is a big girl, not so smooth skin up close, older than she claims.

She greedily sucks cock deepthroat and grinds her ass while you fuck her hard- a PSE really, Anal was on offer right up to the last minute when she suddenly said it was extra.

I cut it to her half-hour rate instead of the agreed hour and bailed after 30.

No shower available- babywipes on offer. It was OK but I left feeling short-changed.
