The Premises:

Ok Flat in Paddington, safe enough But scaffolding outside

The Lady:

Quite thin and petite but still hot- large false boobs that look even bigger on her small frame. Sexy Tattoo that covers most of her back, Japanese style.

The Story:

I think ive got the date right for this! if it wasn't last Monday it was the one before.

She is a pocket rocket- loves to be fucked- does whatever you want! Loves it from behind Mostly- she also rides well and grinds you silly.

Fantastic head (from an Asian girl!) No anal but everything else was available. A sweaty, action-packed 60 minutes.

Ended up coming all over her huge tits at her request(it would have been rude not too)

Nice friendly easy-going girl. Only drawback is she has a bad tooth- which spoils her otherwise perfect Thai smile.

I'll be back.
