### The Premises:

Parlour in a quiet side street about 5 minutes walk from Aston station. Up stairs to a very nice comfortable lounge. Not sure about parking. Very Clean place and the shower was easy to use and basically set for use right away.

### The Lady:

Linzi is the embodiment of MILFness a 40 something with long black hair and lovely big natural boobs. Her pictures match her just look wise she'd be a good choice. Her personality and service take her into the stratosphere.

### The Story:

Entered the premises and followed Katie a nice 30 something brunette lady who I'm thinking oh yes then in came Linzi and well I was smitten. Very friendly bubbly and puts you straight at ease. Paid the money had a quick shower. Then Linzi enters the room and straight into a lovely standing snog then a quick sampling of her lovely big boobs. Then onto the bed continuing the action and very quickly she has my cock in my mouth and it's as good a blowjob as I've ever had. It takes all my self control not to unload there and then as she hoovers my cock up. Lots of spit and full on slow sensual Deep throat whilst gently massaging my balls. I suggest returning the favour and she takes up position. I then lick and suck her clit and vagina she tastes divine and is showing herself to enjoy my actions whilst she tactily strokes my hands and hair. Very sensual and she tells me she could have me do this all day. I then say sorry I'm off to Villa Park. This gets a lovely chuckle and I get called cheeky. She then shivers and is having a nice little climax of her own. She says time for more Oral and she slides to the floor to give me a Porn Style BJ then on with the condom which causes the little boy to deflate a little. She sucks it back to full erection and straight into Missionary for a very very short fuck. Quick clean up and lots of chat and general flirting.

All in all as good a first meet as I've ever had felt like a 5th or 6th meeting it was that easy and very much a GFE who is a slut type experience.
