The Premises:

A very nice private apartment, apparently not shared. Very clean. Staircase up to flat a bit drab. Quiet residential street with some hotels.

The Lady:

An excellent match to the photos. A busty Dusty Springfield with a snatch of Claudia Schiffer. (Don't rush off yet! There's more). A glowing skin tone, like sunrise over Rio. The bust is enhanced for your pleasure. I would guess mid thirties but could be wrong in either direction. Marianna answered the door in a nice dress with high heels.

The Story:

I felt like it was the 1960s and I was at the dawn of the sexual revolution. Her English is very good and chat was easygoing. After the shower I joined her in the bedroom and a hot gfe ensued. She's very skilful orally and looks wonderful on top. I kept slowing things down but had I finished fast in her mouth it would have been magic, I'm sure. Some cowgirl, mish and doggy before winding up in the cowboy as I call it (prone-bone for porn likers). Another shower and a pleasant chat before leaving.

For the second time in my punting history a Brazilian escort had a friend come by and wait in the living room while she was with me (the client); on this occasion Mariana offered to introduce me and maybe we all get involved. I declined this additional delight. I didn't want any distractions and was working to a budget. Nice to know the option's on the table for next time. Maybe 2 hours and 2 ladies, mmm.
