### The Premises:

Nice and clean, with two entrances and plenty of parking nearby. The new receptionist is a valuable addition to the business - she is friendly and makes telephone booking an actual pleasure, rather than speaking to the sometimes rather brusque bloke you used to get.

### The Lady:

Pretty face, natural medium-sized breasts, about 5'9", leggy and elegant. A rock chick type with plenty of nicely-done tattoos. Late twenties.

### The Story:

A very positive experience with a lady who is entirely comfortable in her work, comes across as genuine, and is clearly sexually-motivated.

French kissing was enthusiastic, natural, and often instigated by her; owo was spectacularly good, and I finished by coming inside her in mish. A vanilla punt from her point of view, no doubt; but for me it was so much better than the usual because of her attitude to her work and to the punter.

Top bird.
