The Premises:

The apartment near Warren Street tube. I had the big bedroom which is quite a bit more spacious than the other one and definitely nicely suited for the occasion.

The Lady:

Very much as expected from seeing the photos on her webpage. Very pretty, mid 20s, slightly above average in height, slim, medium-large breasts, fully shaved.

The Story:

Marianne went straight onto my must see list after reading FR 119602. Normally I take one time contributors with the proverbial pinch of salt but this one read like a simple heartfelt account from someone who enjoyed himself rather than an ad. And I can corroborate every word. She's a real darling with an air of innocence - very sweet in nature and eager to please.

Upon meeting, the first thing she did after the usual pleasantries was to apologise for not being able to speak English. I asked whether she spoke Spanish and she said she could a bit and could I so we had a common language to converse on equal terms. And there was a bit of dialogue between us throughout our time together.

Proceedings started with a kiss but there was something very natural about how she initiated this which surprised me as I had initially wondered whether a lady as fresh as her would want to kiss someone whose over 35 years older. More surprisingly, the gentle flickers of her tongue against mine soon intensified into a far more vigorous dfk action as passions increased which is just the way I like it.

We hit a slight issue within the first couple of minutes when she went to put a condom on me for oral. I pointed out that her profile states that she does owo which is what she went on to do without argument. She went a bit too fast for my liking so after asking her to slow down, we moved to frottage accompanied by lots of dfk which is something that she convincingly appeared to enjoy repeatedly initiating dfk after I took a momentary break to catch my breath. She was also convincing

in her enjoyment of ro but intercourse seemed to really bring out the best in her starting in cowgirl where she was particularly energetic and moving onto missionary when again she keen with dfk.

I asked to finish in her mouth. She grimaced slightly but gamely made a start with owo. I sensed that this was not something she enjoyed doing and it's not a service specified on her profile so after about 10 seconds I asked her to bring matters to a conclusion by hand. This she did very well while dfk'ing enthusiastically.

After completion, she cleaned me up very thoroughly and caringly with wet wipes while chatting away in Spanish. When I left, I told her that I really enjoyed our time together to which responded that she did as well. And she sounded as if she meant it which was a lovely conclusion to a superb experience.
