The Lady:

Frankie is tall, slender, has gorgeous big, full breasts. Her hair is long and a reddish/light brown color. She wore heels and a sexy red lingerie outfit.

The Story:

I explained that I love strappy high heels and great feet when I made the appointment. Frankie fit the bill perfectly. I had several foot fetish ideas I wanted to explore and she was eager to please. We had a lot of fun. She's very easy going. Not extremely yappy like some girls can be. I appreciated her laid back attitude to the whole situation. I didn't feel rushed, but that's also why I book an entire three hours. We were free to explore each other and enjoy each other. When the time finally came that I could hold myself in no longer, she allowed me to erupt on her feet which really drove my fantasy home. I thought maybe we'd end a little early because I'm a one and done. She wouldn't allow it. I am really impressed. She continued demanding more and more stimulation and I was only too happy to oblige. She's on my all time favorite list for sure.
