The Premises:

An apartment near Warren Street tube, so close I missed it! My fault entirely as I didn't double check and assumed (made an ass out of myself! Lol) it was the same venue as last year! Fortunately the maid was very helpful in directing me to the correct location!

The Lady:

A Buxom Brazilian Beauty! petite very feminine, friendly, greeted in lingerie and stockings. Lots of tattoos with interesting tales.

Soft enhanced breasts, a gym bunny body and a pussy requesting to be licked and sucked!

And an ass ro die for!

The Story:

Having made an all mighty gaff and headed for the wrong location, when I finally found it I had one of my greatest experiences at Hod since Sara-Li.

That is not to say the ladies in-between have not been fabulously fun but Roxy was a cut above. Is it too late to dub her 'The new jade'?

Once I settled down, She entered the room in sexy lingerie and with a much needed glass of water as it was both hot and id been running up and down Euston road like a maniac!

The first few minutes were a blur. I stripped, she stripped and straight into a rousing OWO intercepted with sweet kisses.

The time was spent mostly with my tongue up her deliciously sweet tasting derriere and pussy. It was just too sweet not to keep going back for more and more! We tried mish, cowgirl and of course doggy whereby I defy anyone not to explode within a instant! I came once, she came twice. The spoils go to Roxy on this occasion!

A wonderful lady and wonderful time.
