The Premises:

Flat in a modern development in a safe area. There is a strict-looking parking regime, but signage is clear, so no excuses for not parking correctly. The flat was clean, well-appointed. Adequate shower facilities.

The Lady:

Pretty much perfect. Long dark hair, beautiful face, ample breasts, cute bum...her photos will not leave you disappointed.

The Story:

Jade was running 10 minutes late, this was communicated to me as I phoned for the last minute directions. Not a problem as it was w gorgeous evening for a stroll. I was buzzed into the building and Jade greeted me at the door of the flat. A warm embrace and, since I had come straight from work, I requested a shower after we'd exchanged paperwork. After a quick shower I went back into the room and we started with french kissing and then was beckoned in front of the mirror as Jade removed her lingerie. More kissing and fondling before settling onto the four-poster bed. Jade gradually made her way down my body with her mouth for some excellent oral all the while positioning herself so I could get a good look at her pussy in the mirror. I returned the favour before we indulged in a long session of 69 that had me on the edge of cumming. I was offered the option of penetration or more oral and opted for the latter that continued until a CIM finish. An interlude followed as it was my phone that received a text - Jade graciously agreed to let me turn the phone off (role reversal from some of my recent punts!). The rest of the hour was filled with kissing, fondling, chatting and an attempt by Jade to breathe life into my cock again. Jade has a great reputation and from my experience it is well-merited. Intoxicating.
