The Premises:

La Maison isn't as fancy as its more famous parlour neighbour but it is more relaxed and you feel less hurried.

The Lady:

Jasmine wasn't what I was expecting from the photos on the La Maison website. I was expecting a girly girl type, but she has much more prominent facial features (I think she is half Arabian). Body wise she is as stated on the website.

The Story:

Jasmine wasn't really what I was expecting from the pictures on the website or the descriptions by other punters. She is a really pleasant person, but not really my type physically. I prefer girly, girl types e.g. Ava at Sandy's. What Jasmine does provide though is a really dirty whore experience. She sucked my cock like her life depended on it and she encouraged me to eat her pussy and ass for all I was worth. We fucked in all the usual positions, including an intense bout of doggy that led to me filling the condom. Overall, a pretty dirty experience with a girl who obviously loves cock. My main gripe was the fact she'd just had a fag before coming into the room and her breath wasn't the sweetest - in mish I struggled as she was breathing over my face. I don't think I'd see her again, but if you want a dirty girl to fuck, she might be the one for you.
